To-morrow the V. M. C. A. inaugrate a series of special religious services to be held Sunday afternoons at 3 o'clock in their ball. Wither everybody are cordially invited, these services are designed especially for the benefit of non-church goers, young men and workingmen. Good hearty music, and brief, pointed addresses and sermons will be made a specialty. Beni, H. Austin, Justice of the Supreme Court, we ar To-morrow, in addition to congregational singing, there will be solos by Miss Otto, Mrs. Pierce and Mrs. Cruzan. Mr. Cruzan will deliver a twenty minute sermon on "The Car- Auction on penter." Those who have copies of the "Gos pel Hymns" will please bring them to these

The band's vacation came to an end last at 12 noon, at our sales room, Qu Berger's welcome leadership. Lack of prac- Ewa, Island of Oahu, and known as (Kaohai) havin tice was not noticeable to most of the audience -although some of the musically initiated an area of - acres more or less, said land is subject to claimed to be able to detect it. In any event a lease to Makue (k) of afteen years from April 1, 1874. the baton of the laurel wearing leader will bring harmony and melody into the musical at the rental of Forty Dollars per annum. The sain

Laugh and grow fat-and advertise. - Shakespeare "Iknow you," said King Theodore of Aby sinia, to the English. "First you send a missionary; then you send a consul to look after fait, the said land will be started by order of the cour the missionary; then you send an army to look

A St. Louis man saw a picture of the enchanted palace with all the guards fast asleep, and ejaculated: "The house is pretty oldfashioned, but the policemen look natural." The picture of the enchanted palace is a pretty one. But it never looks so well as when framed with some of the new style material on sale at Lycan & Johnson's.

"I'm going to a masquerade ball this evening, and I want an appropriate dress." "What is your business?" "O, I'm a milkman." is your business?" "O, I'm a milkman."
"Then you'd better put on a pair of pumps
and go disguised as a waterfall." Now if that had been in Honolulu and the milkman had been a traveller bound for Kilauea or any other place on these islands, he would have gone to G. W. Macfarlane & Co.'s Beaver Block store, to buy him one of those elegant travelling rugs, imported from the manufacturer of those

o greatly admired in Regent street, London. "The grasshopper has according to his size, one hundred and twenty times the kicking power of an average man. It must be exciting times for the young grasshoppers which go courting and find the old man at home." But is as nothing compared to that of a house holder who can get no oil for his lamp. Forbreach, bringing to Dillingham & Co. enough
